

Stacking bin 149x250x130 Blue

Our high quality, durable stacking bins have been designed for daily use in stores, production facilities and warehouses. Bins have been designed to fit all standard metric shelves, paternoster and industrial workstations. Bins of the same width stack securely, even if they are of different depths. Straight sides ensure an efficient use of space. The design, with a half-open front, allows excellent visibility and easy access to the bin's contents, making it easy to pick from. The colour options allow a storage system to be designed to meet the customer's requirements. The crystal clear bins are transparent, allowing easy visual identification. Bright colours make finding the right item easy.

Product code	1525-6
--------------	--------

EAN-code	6416763016624
----------	---------------

Width mm	149
----------	-----

Depth mm	250
----------	-----

Height mm	130
-----------	-----

Internal width mm	125
Internal depth mm	185
Quantity per package	30
